Dear 5th, 6th and 7th Grade Parents/Guardians,

The school has some exciting trips planned for your student in the 2009/10 school year. The following programs will give you an idea of what you can expect for your student. **We strongly encourage students to help with the cost of these trips and summer is usually a good time to earn extra money.** Also for those parents who might be able to chaperone, you will need to make the necessary work arrangements. I wanted to let you know as early as possible the dates involved. Please if you have any questions please call the office.
